美国伊利诺斯州：铅中毒防止法案

美国伊利诺斯州铅中毒预防法于2006年6月开始实施，其内容主要涉及适用于6岁以下儿童的产品。这一年龄组的产品被视为高风险品，因为铅对6岁以下儿童的危害最大。该法案规定，任何人不得销售适用于儿童或者可能被儿童咀嚼的含有“含铅物质”的玩具、家具、服装、配饰、珠宝、装饰品、可食用产品、糖果、食品、食品增补剂，或其它物品。

“含铅物质”是指内部或表面涂层中铅含量占总重量超过0.06%的物品，或者在所有非挥发物中铅含量占总重量超过0.5%(按铅金属计算)的液体涂料。

铅的毒害性

铅是一种有毒的金属，可能给儿童、孕妇及其他成年人带来永久性的健康损害。铅对6岁以下儿童的危害性尤其严重，因为这个年龄段的儿童身体仍然处于发育期，铅可能损伤他们的大脑、肾以及其它器官，影响正常的学习和活动。

解决方案

Intertek是国际认可的实验室，可以为众多行业提供全面的质量和安全管理服务，并且在铅和重金属的测试方面拥有突出的技术优势。多年来，我们以准确公正的测试服务赢得了客户的信赖，秉承客户为先的理念，帮助客户保护他们最宝贵的财富—品牌和声誉。

Illinois: Lead Poisoning Prevention Act

The Illinois Lead Poisoning Prevention Act which was enacted in June 2006 covers products for children aged six and younger. Products within this age category are considered high-risk items because lead is most harmful to children younger than six years old. The Act prohibits any person from selling toys, furniture, clothing, accessories, jewelry, decorative objects, edible items, candy, food, dietary supplements, or other articles used by or intended to be chewable by children that contains a "lead bearing substance".

"Lead bearing substance" means any item containing or coated with lead such that the lead content is more than 0.06% lead by total weight; or liquid paint containing more than 0.5% lead by total weight (calculated as lead metal) in the total non-volatile content.

Lead Poisoning Facts

Lead is a toxic metal. Exposure to lead can cause permanent health problems for children, pregnant women, and other adults. Lead is most harmful to children younger than six years old because their bodies are still developing. It can hurt their brains, kidneys, and other organs and cause learning and behavioral problems.

The Solution

Intertek, an internationally accredited laboratory, offers a variety of solutions and services while lead and heavy metals testing remains one of our fortes. We have earned the confidence of our clients with dedicated professionalism and accuracy in our testing services. Dedicated to Total Customer Focus, we are ready to offer any assistance in protecting our clients' most important assets - brand and reputation.
